### Residential Service:

The cooperative allowance for residential service is **\$2,000**. In order to receive this allowance the customer will have to become permanent within a year, from the time the temporary service is set until completion. Residential service is considered a home that is dwelt in year round.

### Non-Residential Service:

The cooperative allowance for non-residential service is **\$450**. Non-residential service is considered a home that is used as a weekend dwelling or a deer cap, water well service, barn, garage, etc. **Your signature on the line below is acknowledgement that you have been notified of our construction prices:**
